Double Wall SS Bottle with Bamboo Base & Lid 750 ml

Stay refreshed on the go with our **Double Wall SS Vacuum Bottle**. Designed for both style and functionality, this sleek black bottle features a stunning bamboo base and lid, making it the perfect companion for your adventures, whether you're hiking, commuting, or relaxing at home.

Key Features

- **Double Wall Insulation:** The advanced double-wall stainless steel construction keeps your beverages hot or cold for hours. Enjoy your coffee piping hot or your water refreshingly cold, no matter the weather.
- **Twist-Off Spill-Proof Bamboo Lid:** The stylish bamboo lid not only adds a touch of elegance but also ensures a secure seal, preventing spills and leaks. Twist it off easily for quick access to your favorite drinks.
- **Matte Oil Finish:** The sleek matte oil finish gives the bottle a modern look while providing a comfortable grip. It's both stylish and practical, making it perfect for everyday use.
- **Packaging:** Eco-Friendly Kraft Box with one color print.

Why Choose This Bottle?

- **Durable and Lightweight:** Made from high-quality stainless steel, this bottle is built to last while remaining lightweight for easy portability.
- **Eco-Friendly Materials:** The bamboo base and lid offer a sustainable choice, reducing your environmental impact while enhancing the aesthetic appeal.
- **Generous Capacity:** With a 750 ml capacity, this bottle provides ample hydration for your daily activities, whether you're at work, in the gym, or enjoying outdoor adventures.
- **Easy to Clean:** The wide opening allows for easy filling and cleaning, making maintenance a breeze.

Upgrade your hydration game with our **Double Wall Stainless Steel Vacuum Bottle with Bamboo Base & Lid**. Combining practicality with eco-friendly design, this bottle is perfect for anyone who values style and performance. Keep your drinks at the perfect temperature and enjoy your favorite beverages anytime, anywhere!
