Gym Towels

GT-01-W
Promotional Gym Towel
Specifications: Cotton 400 g/m² Dimensions: 300 x 500 mm

Gym Towels

The best towels for regular exercisers are gym towels. Cotton is the material used to make these custom towels. They are hence strong and long-lasting. It effectively absorbs sweat. As a result, these towels quickly dry the skin and absorb sweat. These custom towels are 300 mm by 500 mm in size. Additionally, this item weighs 430 g. As a result of their little weight, they are simple to hold. These promotional towels are white. Additionally, they are exclusively offered in white. These towels are very distinctive and sophisticated. These promotional towels can be made to reflect your business and brand. Therefore, these promotional things can be customized with your company's, brand's, or name's logo. The heat transfer printing technique is an option for printing logos. The embroidery option is furthermore offered for this reason. It will advertise your company. Additionally, it will accelerate the expansion of your clientele. Additionally, you can personalize these promotional goods to give as gifts. They make the greatest promotional presents for use on special occasions. You may also distribute this item as a giveaway to your friends.

- Cotton is a resilient, absorbent, and long-lasting material.
- Lightweight and easy to operate.
- White is a classy and distinguishing color.
