Magnetic Fast Wireless Powerbank 15W in Bamboo Casing - 10,000 mAh

The **10,000 mAh Magnetic Fast Wireless Powerbank** with **15W output** features an eco-friendly bamboo casing, offering fast, efficient wireless charging for compatible devices. Its **MagSafe-compatible** magnetic alignment ensures easy use with iPhones, while USB-A and USB-C ports provide additional wired charging options. Lightweight and portable, this powerbank is perfect for on-the-go charging with built-in safety features.

Key Features

- **10,000 mAh Capacity:** Offers 2–3 full charges for most smartphones, perfect for daily use or travel.
- **15W Wireless Charging:** Fast wireless charging for compatible devices, faster than standard 10W chargers.
- **Magnetic Alignment:** Compatible with devices that support **MagSafe** (for iPhone 12/13/14/15) or similar magnetic charging (Android).
- **Eco-Friendly Bamboo Casing:** Sustainable and stylish design, offering a natural look and durability.
- **USB-A / USB-C Ports:** Additional wired charging options for other devices (tablets, Bluetooth headphones, etc.).
- **Compact & Portable:** Lightweight, easy to carry, and fits in a pocket or bag.
- **Safety Features:** Overcharge, short-circuit, and overheat protection for safe charging.

Custom Logo Printing

- **Laser Engraving:** Engraving your brand's logo or message directly into the bamboo casing for a premium, long-lasting finish.
- **Screen Printing:** Ideal for bold, colorful logos or designs. It's cost-effective for smaller quantities and offers clear visibility.

Product Labeling

- **Custom Stickers/Labels:** Attach a small, branded sticker to the powerbank itself (or the charging ports) with your logo and product features.

Versatile Uses

- **Travel Companion:** Whether you're flying, commuting, or on a road trip, this powerbank will keep your devices charged without the hassle of searching for a wall outlet.
- **Everyday Use:** Perfect for those who use their phones heavily during the day and need an extra boost of power while at work, school, or out running errands.
- **Outdoor Activities:** If you're out hiking, camping, or at the beach, this powerbank could be a great addition to your gear, ensuring your phone, Bluetooth speakers, or other devices stay powered up.
