Promotional T-Shirts

Promotional t-shirts are simple colorful t-shirts. They are specially designed for promotional purposes. These t-shirts had fabricated from 100% cotton material. Thus, they are convenient and reliable items. The material is also soft including 170 GSM. So, it aids in protecting people from heat during Summer. It includes a round-neck design. Thus, they are simple yet graceful t-shirts. They are available in 11 distinct colors. So, you can buy the color of your choice. It is available in five varied sizes. Small businesses are great **promotional gifts**.

Because of the cheap price of these t-shirts, they are generally used by many brands. You can distribute them on promotional campaigns and occasions. It has two distinct options for logo imprinting. You can use heat transfer

printing or screen printing for customizing these promotional t-shirts. You can also use them as a gift item for your friends and family.
