Antibacterial Pens Maxema Bay

Antibacterial Pens Maxema Bay

Branded pens include antimicrobial pens from Maxema Bay. They used recycled plastic that was both incredibly durable and non-toxic. They are hence antimicrobial and eliminate all microorganisms on contact. So, using it is safe. It has a recycled matte finish. It appears shiny and matte as a result. This Maxema pen has a very beautiful design. It's really portable and light. Options for screen printing and UV printing are included. So, you may add your company's logo to these promotional pens.

There is a clip in the framework. You can therefore fasten it to your shirt or purse. It uses X20 ink to write. There are two colors of ink available: black and blue. For printing a logo, there are two possibilities. For printing, you can either utilize the clip or the barrel. Therefore, these promotional pens with your logo will assist you in luring in new clients. These are great products for Sharjah corporate gift suppliers. These pens can be personalized with the names of your loved ones.
