Black OTG USB with LED Logo 32GB V. 3.0 Type C

We're excited to announce the addition of the **Black OTG USB with LED Logo 32GB V.3.0 Type C** to our product lineup! This sleek, high-performance USB drive is designed to provide fast and reliable storage with the convenience of OTG (On-The-Go) functionality, making it an ideal choice for users who need quick data transfer between devices.

Key Features

- **Capacity:** 32GB – Ideal for storing documents, photos, videos, and more.
- **USB 3.0 Interface:** Offers fast read/write speeds for efficient data transfer.
- **Type C Compatibility:** Easily connect with modern devices such as smartphones, tablets, and laptops equipped with USB Type C ports.
- **OTG Functionality:** Directly transfer files between your mobile device and computer without the need for a computer as an intermediary.
- **LED Logo:** Features an illuminated LED logo for a stylish and modern touch, making your device stand out.
- **Compact & Portable:** Lightweight design for easy portability – take it with you anywhere.

Why Choose This OTG USB Drive?

- **Versatile Compatibility:** Works seamlessly with both Type C and USB 3.0 ports.
- **Enhanced Durability:** Built to withstand everyday use while keeping your files secure.
- **Sleek Design:** The black finish and LED-lit logo add a modern touch, making it not just functional, but stylish too.

Whether you're looking to expand storage on the go, transfer files between devices quickly, or simply want a reliable USB drive with a bit of flair, the **Black OTG USB with LED Logo 32GB V.3.0 Type C** is the perfect solution.
