Mugs with Lid and Cork Base

Custom Large Coffee Mugs with lids and cork bases are distinctive, fashionable, and environmentally responsible ceramic mugs with a special ceramic and cork material combination. The base is constructed of environmentally friendly cork, while the lid and cup are made of durable ceramic material. These mugs' cork bases help to keep your coffee or tea hot and out of the refrigerator. Although you may also use these personalized huge coffee mugs in the summer, they are great for the winter.

These custom large coffee mugs made in the UAE come in a striking matte black color that is ideal for printing logos, emblems, insignia, and messages. These huge custom coffee cups are also ideal for personalization with a photograph. These mugs are nonetheless lightweight and compact despite the cork they contain. For later enjoyment of your coffee, the chic lid entirely conceals the aperture. At meetings, seminars, and gatherings, these branded coffee mugs work wonders for marketing your company. Additionally, as a personalized gift, you may send your pals these printed coffee mugs.

- 385 ml is the carrying capacity for beverages.
- Eco-friendly cork in the base.
- High-end printing for the hierarchy of black matte.
- Lightweight and simple to transport.
- A good travel mug for promotions.
- Best custom mugs in the UAE.
