Desk Lamp with 15 Wireless Charger, Clock, and Pen Holder

The Multifunctional Desk Lamp combines sleek design with practicality, featuring a 15W wireless charger for fast device charging, a built-in clock for timekeeping, and a convenient pen holder for desk organization. Its adjustable lighting and modern aesthetics make it a perfect addition to any workspace.

Key Features

- **Lamp with Three Levels of Brightness:** Customize your lighting with ease using the three adjustable brightness settings. Whether you need a soft glow for reading or a bright light for detailed tasks, you'll find the perfect illumination.
- **15W Wireless Charger:** Keep your devices powered up effortlessly with the built-in wireless charger. Simply place your Qi-enabled smartphone on the designated charging pad to start charging instantly.
- **Digital Clock:** Stay on top of your schedule with the integrated digital clock. It displays the time clearly, ensuring you're always punctual for meetings and deadlines.
- **Dual Alarm Clock:** Set up two different alarms to manage your daily routine. Whether you need separate wake-up times for weekdays and weekends or reminders for different tasks, this feature has you covered.
- **USB-A & USB-C Outputs:** Charge a variety of devices with the included USB-A and USB-C ports. No more scrambling for additional chargers—just plug in and power up.
- **Pen Holder:** Keep your writing tools within reach with the built-in pen holder. This feature helps you stay organized and maintain a clutter-free workspace.
- **Customizable Branding:** Personalize your lamp with your choice of a cork or black round sheet for logo branding. This adds a professional touch, making it ideal for corporate gifts or promotional items.
