Wireless Charger 15W with BT Speaker & RGB LED Logo

Elevate your tech experience with our cutting-edge Wireless Charger featuring a powerful 15W charging capability, built-in Bluetooth speaker, and dynamic RGB LED logo. Designed for both functionality and style, this versatile device seamlessly blends three essential features into one sleek package.

Key Features

1. **15W Fast Wireless Charging:** Enjoy quick and efficient charging for your devices without the hassle of tangled cables. Compatible with most Qi-enabled smartphones and accessories.
2. **Bluetooth Speaker:** Immerse yourself in high-quality sound with the integrated Bluetooth speaker. Perfect for playing music, taking calls, or enjoying podcasts with clear, crisp audio.
3. **Phone Stand - Foldable with 320° Adjustable Angle:** Enhance your viewing experience with the foldable phone stand that offers a full range of 320° adjustments. Position your phone exactly where you need it, whether you're watching videos, making video calls, or browsing.
4. **Foldable & Rotating Support Frame:** Designed for convenience, the foldable support frame allows for easy storage and portability. The rotating feature lets you adjust the viewing angle to your preference.
5. **Adjustable Support Frame:** Tailor the stand to your ideal angle for optimal charging and viewing. Whether you're watching videos or using your device, find the perfect position with ease.
6. **RGB LED Logo:** Add a touch of flair to your workspace with the customizable RGB LED logo. Choose from a spectrum of colors to match your mood or set the ambiance.

Why Choose This 3-in-1 Charger?

This product is perfect for anyone looking to simplify their setup while adding a touch of modern technology to their desk or bedside table. With its powerful charging, immersive audio, and customizable lighting, it's more than just a charger—it's an experience.
