Flexible Magnetic Sheet Single Sided
Specifications: 80mm 50mm x 75mm x 0.5mm

Flexible Magnet Sheet

Flexible magnet sheets are branded, high-quality sheets with adhesive. These sheets were made out of a stretchable magnetic substance. This makes them sticky. They are covered with a matte UV coating. They appear glossy and reflective as a result. They were extensively used in commercial, industrial, and consumer applications. These branded sheets have great cutting and adhesion qualities. They therefore quickly cling to the surfaces. Additionally, it can withstand a wide range of temperatures. As a result, you can use it in both hot and cold climates. They are extremely portable and light. There is a digital printing option included. Additionally, it has dimensions of 50 cm x 70 cm x 0.6 mm. As a result, you can personalize them with vibrant logos and imaginative patterns. Their shiny appearance is sufficient for brand promotion. Everyone can be drawn to the branding on these magnet sheets. As a result, you can use them as printed sheets to advertise corporate events. These personalized sheets work best as office decor.
