# Inkjet Magnet Sheet

2016-F  
Inkjet Magnet Sheet  
Specifications: Size: 44 (280mm x 327mm)

# Magnet Sheets

High-quality adhesive and branded sheets are used for inkjet magnets. These sheets were made of a magnetic substance. This makes them sticky. They are covered with a matte UV coating. They appear glossy and reflective as a result. They were frequently used in commercial and industrial magnetic signage and tags. These branded sheets have great cutting and adhesion qualities. They consequently adhere to surfaces with ease. Additionally, it can withstand a wide range of temperatures. As a result, you can use it in both hot and cold climates. They are extremely portable and light. They can be used to print photo cards, calendars, and adhesive business cards.

There is a digital printing option included. It also includes an A4-sized sheet (210 mm 297 mm). As a result, you can personalize them with vibrant logos and imaginative patterns. They are appealing enough to display your brand effectively. These inkjet magnet sheets' logo has the power to draw people in. As a result, you can use them as SAWG sheets to advertise corporate events. The best use for these customized sheets is as office decor.
