Insert Name Badges

Insert Name Badges

Insert name badges are distinctive and inventive advertising badges. They had been produced entirely out of plastic. They are trustworthy and durable as a result. They are covered in a matte glitter finish. They are therefore glossy and shiny. They come in three different colors: white, golden, and silver. These personalized name badges feature a really elegant and lovely style. It has a rectangular shape with beveled edges. The design is split into two pieces, though. The first is for printing logos, and the second is for printing names. The name written portion resembles a window in every way. Because of this, they are also known as window insert name badges. So, it's a highly ostentatious and inventive personalized name badge. This branded name badge measures. The design is split into two pieces, though. The first is for printing logos, and the second is for printing names. The name written portion resembles a window in every way. Because of this, they are also known as window insert name badges. So, it's a highly ostentatious and inventive personalized name badge. This branded name badge is 68 x 23 mm. Additionally, it offers screen printing and digital printing alternatives.
