MagSafe Powerbank 10000 mAh 15W Fast Wireless Charging

The MagSafe Powerbank 10000 mAh offers 15W fast wireless charging with a magnetic function for easy attachment to your MagSafe-compatible devices. It features multiple input and output options, including Type-C, ensuring efficient power delivery. Choose from UV, DTF, or Screen Printing for personalized designs. Stay powered up on the go with this sleek, portable solution!

Key Features

- **Fast Charging:** With 15W wireless output, your devices charge quickly and efficiently.
- **Magnetic Wireless Function:** Easily attach your MagSafe-compatible devices to the powerbank for a secure and hassle-free charging experience.
- **Multiple Charging Inputs:** Supports a range of input voltages for flexibility: 5V/2.5A | 9V/2A | 12V/1.5A
- **Type-C Output:** Power your devices with: 5V/2.4A | 9V/2.2A | 12V/1.67A
- **Wireless Charging Output:** Enjoy seamless wireless charging with a robust 15W output.
- **Packaging:** Kraft box with one color imprint
- **Inside the box:** (1) Power bank, (1) Type-C both ends charging cable.

Custom Printing Options:

Make your powerbank unique with one of our custom printing options:

- **UV Printing:** Durable and vibrant prints that stand the test of time.
- **DTF Printing:** High-quality prints that feel soft to the touch and are designed to last.
- **Screen Printing:** Classic, clean, and professional prints for a timeless design.

Stay powered up with our MagSafe Powerbank and charge your devices quickly and easily, no matter where you are!
