Bottle Printing Area Details

Sports Glass Bottles 500ml Twist off PP Lid & Carry Handle

The **Sports Glass Bottles 500ml** features durable borosilicate glass that resists thermal shock and breakage. It comes with a secure twist-off lid to prevent leaks and an integrated carry handle for easy portability. This eco-friendly bottle is easy to clean, making it a practical choice for staying hydrated during workouts, sports, or daily activities.

Features

- **500ml (17 oz):** A size that's compact enough to be portable yet sufficient for a moderate amount of liquid.
- **Glass:** Typically made from borosilicate glass, which is resistant to thermal shock and breakage, making it durable for sports and daily use. Glass also doesn't retain flavors or odors, ensuring a clean taste for your beverages.
- **Twist-Off PP Lid:** Provides a secure seal to prevent leaks. The twist-off mechanism ensures the bottle remains tightly closed, even during vigorous activity.
- **Integrated Handle:** Designed for easy carrying. The handle can be especially useful for attaching to a backpack or gym bag.
- **Sleek and Ergonomic:** Often features a design that's easy to grip and comfortable to hold while exercising. Some models might also have a protective silicone sleeve to enhance grip and provide additional protection against impacts.
- **Packaging:** White carton box with one color imprint.

Uses

- **Hydration During Exercise:** Perfect for keeping you hydrated during workouts, running, or sports activities.
- **Daily Hydration:** Ideal for everyday use, whether at the office, school, or while commuting.
- **Infused Water:** Great for carrying fruit-infused or flavored water.
- **Outdoor Adventures:** Handy for hiking, camping, or any outdoor activities.
- **Travel:** Convenient and eco-friendly for on-the-go hydration.

Benefits

- Reduces reliance on single-use plastic bottles, contributing to less environmental waste.
- Free from harmful chemicals like BPA and phthalates often found in plastics.
- Glass is generally more resistant to scratches and stains compared to plastic, keeping the bottle looking clean and new.
- Suitable for a range of beverages, from water to sports drinks or even infused water with fruits.
- Glass bottles are typically dishwasher-safe, and their smooth surface makes them easy to clean by hand as well.

Printing Options on Glass Bottle

- Screen Printing | UV DTF Printing
