Jute and Cotton Bags

JSB-11
Jute with Cotton Bag
Specifications: 30cm x 40 x 15 x 10 cm

Juco shopping bags

Juco shopping bags are printed with eco-friendly ink. These bags were made from several types of cotton and jute. It is made up of 28% cotton and 72% jute. As a result, they are quite durable and reliable. Compared to other bags, they have higher tensile stability. They, therefore, have a larger capacity than other bags. This bag has a glossy appearance because of the silky sheen of the jute. This bag's components are all recyclable, making it eco-friendly. It has flexible and supple straps for fastening. Additionally, despite their considerable strength, they are incredibly light. Both screen printing and a heat transfer option are included. Consequently, you can customize these bags to fit your shopping brand. This printed bag will most definitely make your logo stand out and appear vibrant. Therefore, it's a useful promotional item for spreading brand awareness. These products are reasonably priced and cost-effective for small businesses. They can contain snacks or gift baskets. Your consumers will get the impression that you care about the environment after using these bags.
