Light-Up LED Logo USB with Slide Button 64GB V. 3.0

The **Light-Up LED Logo USB Flash Drive** (64GB, USB 3.0) combines style and functionality with fast data transfer speeds and a customizable illuminated logo. With a sleek slide button, it protects connectors, stores and transfers large files quickly, and impresses with LED design. Compatible with most devices, it's ideal for both personal use and [promotional giveaways](#). Upgrade your storage with style—perfect for everyday use or business promotions!

Features

1. **64GB Storage Capacity.** Store a wide variety of files, from documents to photos and videos, with plenty of space for all your data.
2. **USB 3.0 Speed.** Enjoy faster data transfers with USB 3.0 technology, offering high speeds perfect for large file transfers and quick backups.
3. **Eye-Catching LED Logo.** Stand out with a **light-up LED logo** that illuminates when connected, adding a fun and customizable touch to your drive. Great for [personal branding](#) or corporate giveaways.
4. **Slide Button Mechanism.** The slide button mechanism protects your drive's connector, keeping it clean and safe from dust or damage when unused.
5. **Compact and Durable.** With a **portable** and **lightweight** design, this USB flash drive is easy to carry and built to withstand everyday wear.

Compatibility

- **Windows, macOS, and Linux** compatible
- **USB 3.0** ports (backward compatible with USB 2.0)

Performance

- Fast read and write speeds for quick data access and transfer
- Ideal for professionals, students, and anyone who needs reliable portable storage

Perfect for

- Storing important documents, photos, videos, and software
- Customizable logo for corporate branding and promotional gifts

Printing Options on Light-Up Logo USB

- Laser Engraving (Light-up Logo).
