Cotton Caps with Velcro

Cotton Caps

Brushed cotton caps with a Velcro adjustment on the underside. These hats were made entirely of cotton. It is made up of 5 brushed cotton panels. It is hence strong and long-lasting. It is washable because of its great quality. It is really imaginatively designed. It consists of an eyelet with a bright color and a white outline. As a result, it offers shadow. This cotton cap has a white rim. It does, however, have Velcro for sizing adjustment at the back. Additionally, it has a vibrant top button that adds to its appeal. Consequently, this promotional cotton cap in two colors is durable and fashionable. In addition to the design, it is extremely lightweight. It offers embroidery as well as screen printing and heat transfer printing. Therefore, you can use them to imprint the name of these promotional caps or the emblem of your company. They can be used in promotional campaigns and seminars as a giveaway items. It's a suitable marketing hat for tiny companies. They can be used as printed presents for friends.
