Desktop Wireless Charging Stands 15W Fast Charging

Desktop Wireless Charging Stands 15W Fast Charging

Experience the convenience of desktop wireless charging stands with our 15W Wireless Charging Stand. Designed for efficiency and style, this charging stand allows you to power up your Qi-enabled devices without the hassle of cables. Simply place your smartphone on the stand, and let the charging begin.

Fast Wireless Charging

Equipped with advanced Qi wireless technology, this stand supports fast charging up to 15W for compatible devices. Whether you're charging your iPhone, Samsung Galaxy, or other Qi-certified smartphones, you can count on rapid and reliable power delivery.

Ergonomic Design

The stand is crafted with a sleek and modern design, featuring an adjustable viewing angle that allows you to use your device while it charges. Whether on your desk or bedside table, the stand ensures optimal visibility and accessibility.

Smart and Safe Charging

Safety is paramount. The stand incorporates built-in safeguards against overcharging, overheating, and short-circuiting, providing peace of mind while your device charges.

Universal Compatibility

Compatible with a wide range of Qi-enabled devices, including smartphones, earbuds, and other accessories, this charging stand is versatile enough to meet your everyday charging needs.

What's Included

Each wireless charging stand in a white box with imprint typically includes (1) a Wireless charger (1) a charging cable (1) a user manual. **Specifications:**

- Input: DC 5V, 2A - DC 9V, 2A
