Maxema Ethic Pens

Pen Maxema Ethic

Pens with the Maxema ethic trademark are stylish and innovative. They were made from dependable, very resilient ABS plastic. They are strong and secure to utilize as a result. Specially made with a solid color, its barrel. Since it has a shiny surface throughout the barrel, it. The Maxema ethic pen's entire barrel is the same color. Silver bands, however, are present on the lower portion. It also has a distinctive and original silver clip and tip. It also includes a jumbo refill, allowing you to write smoothly for 2500 meters.

As a result, these are great products for UAE pen suppliers. It comes with a twist-action mechanism. So, you can easily on and off the ball pen. It comes with PAD printing and UV printing options. Thus, you can customize these pens as printed pens for your company. You can customize these with the names of your friends and family. These are excellent branded logo pens for the promotion of small brands.
