Mood Metal Pens

Pens Maxema Mood Metal

Metal pens from Maxema are stylish for the workplace. They used sturdy metal for their creations. They are strong and secure to utilize as a result. Its barrel was made specifically for it from metal with a silver finish. As a result, the entire barrel has a shiny diamond mirror surface. The tip and barrel are both silver in tone. The push-button of the pen is silver-plated as well. As a result, it makes the pen appear expensive. As a result, you may have these pens personalized as elegant corporate presents for your business. The clip of this pen was made of ABS plastic in addition to the barrel. Either black or white applies. The clip does, however, also have a shiny surface. Options for screen printing and UV printing are included.

Additionally, there are numerous printing possibilities for logo imprinting. Therefore, in Sharjah, these are fantastic promotional items. These pens can also be personalized with the names of your loved ones. These promotional pens are also fantastic tools for promoting small enterprises.
