Metal Pens

Metal pens made by Stylus are chic and sophisticated. They used a sturdy metallic material to build. They are hence strong and long-lasting. The barrel of this pen is a vibrant, metallic black hue. The pen's barrel and tip are both the same shade of black. The pen's whole construction is made of rubber. It has a soft rubber texture as a result. It is also a 2-in-1 pen. The stylus is located at the pen's top. It comes in a variety of colors and is vibrant. As a result, your cell phones can use it.

In addition to the barrel, it includes a clip. The barrel and clip are both black in color. As a result, it makes the ideal promotional pen with a stylus. So, you can also give away this promotional pen with a stylus. A push-button mechanism is included. So, it's simple to put on and take off the ball pen. There is also a laser engraving option available. As a result, you can personalize these promotional metal pens with your brand's logo to promote your company. These are the top products offered by Qatari vendors of corporate gifts.
