UAE Falcon Crystal CR-10

CR-10
UAE Crystal Falcon
Specifications: Size: 34.5x16.2 cm

UAE Falcon Crystal

People feel as patriotic as they should feel when they see the UAE falcon crystal trophy. This crystal award features a falcon-shaped design. This design features a falcon in the midst of the UAE flag. It also has a strong and sturdy black basis. When they clasp it, it has a significant impact. For these reasons, people choose these falcon crystal awards in national settings. These specialized crystals feature a base for printing logos. Consequently, it's simple to alter them. It has a sublimation printing option in addition to laser engraving. Therefore, it is excellent for printing your company's or brand's logo. Despite appearing substantial, they are really light. These crystals were made of glossy, clear crystals. They are therefore shiny and brilliant. Their distinctive layout is adequate for brand promotion. Everyone is drawn to it because of its layout. As a result, you can utilize them as corporate presents for marketing purposes or company events. The greatest time to send rewards with these personalized gems is on a national holiday.
