Bamboo Round LED Logo USB with Strap 64GB V. 3.0

Store and transfer your files in style with the Bamboo Round [LED Logo USB](#) Drive. Featuring a 64GB capacity, USB 3.0 speed, and an illuminated LED logo, this eco-friendly drive combines fast performance with a sleek, natural bamboo design. It is compact and portable and perfect for personal use, branding, and corporate giveaways.

Key Features

- **Generous 64GB Capacity:** This storage device effortlessly stores and transfers large files, from documents and presentations to photos, videos, and backups.
- **USB 3.0 Speed:** Enjoy lightning-fast data transfer speeds for quick file access and transfers, while still being compatible with USB 2.0 devices.
- **Sustainable Bamboo Design:** Crafted from eco-friendly bamboo, this USB drive offers a natural aesthetic that stands out from typical plastic flash drives. A perfect choice for environmentally-conscious users.
- **Illuminated LED Logo:** The LED light highlights your custom logo or branding, adding a modern touch while offering visibility in low light.
- **Compact and Portable:** Its round, slim design is small enough to fit on a keychain, making it easy to carry with you wherever you go. A convenient strap is included for easy attachment to bags, keys, or lanyards.
- **Plug and Play:** No drivers or extra software needed. Just plug the USB drive into any USB 3.0 (or USB 2.0) port, and you're ready to use it instantly.
- **Wide Compatibility:** Works seamlessly across multiple operating systems, including Windows, macOS, Linux, and most USB-enabled devices.

Perfect for

- Promoting your business with a custom-printed logo on the LED display.
- Eco-conscious users who want a stylish yet sustainable tech accessory.
- Storing and sharing important documents, presentations, photos, and videos on the go.
- Corporate giveaways, event promotions, or personalized gifts.

Why Choose the Bamboo Round LED Logo USB Drive?
