Crystal USB Flash Drives

These promotional USB flash drives have a distinctive appearance thanks to their premium rectangular crystal glass covers. Additionally, they feature a metal body finish, which gives them strength. These 60x20 mm USB Flash drives have printing surfaces big enough for your corporate logo but are yet portable enough to fit in your pocket.

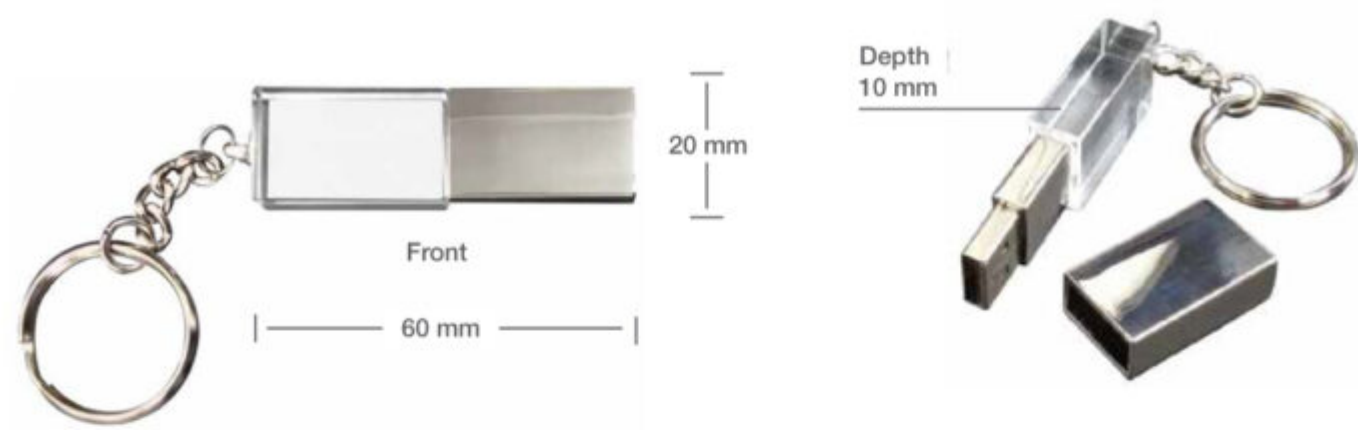

- Materials: Glass and Metal
- 60 x 20 mm in size
- Available Shape: Rectangular Size: 8GB, 16 GB, and 64GB

Printing Options

- 2D Printing | Laser Marking | Screen Printing
