rPET Transparent Bottles 800ml SS Lid with Carry Handle

The 800ml rPET transparent bottles are a sustainable hydration solution designed for both style and functionality. Made from recycled PET (rPET), this bottle helps reduce plastic waste while offering a lightweight and durable option for everyday use.

Key Features

- **Eco-Friendly Material:** Constructed from recycled plastic, promoting sustainability and reducing environmental impact.
- **Transparent Design:** Easily monitor contents and hydration levels at a glance.
- **Stainless Steel Lid:** Provides a secure seal and adds a touch of elegance.
- **Convenient Carry Handle:** Makes it easy to transport, ideal for workouts, travel, or daily hydration.
- **Versatile Use:** Perfect for water, juices, smoothies, and more, making it a great addition to any lifestyle.
- **Packaging:** White carton box with one color imprint.

Benefits rPET Bottles

- **Eco-Friendly:** Using recycled materials helps reduce plastic waste.
- **Versatile Use:** Great for water, juices, smoothies, or even as a storage container for snacks.
- **Reusable:** Designed for multiple uses, promoting sustainability.

Branding

By focusing on sustainability, functionality, and style, your branding can resonate with consumers who value both design and environmental responsibility. Embrace sustainability and convenience with this stylish rPET bottle, designed to keep you hydrated while caring for the planet.

Printing Options on rPET Bottles

- Screen Printing | UV Printing | DTF Printing | Helix Printing
