Metal Keychain Rectangle Gun Metal Finish Plate

This premium-quality metal keychain rectangle features a sophisticated gun metal finish plate, offering a modern and sleek look. The front showcases a distinctive split-tone design, creating a striking contrast that enhances visual appeal. It is designed with durability in mind, perfect for everyday use while serving as a stylish accessory. The metal construction ensures long-lasting performance, while the branding surface on the front makes it ideal for personalized corporate gifts, promotional giveaways, or custom branding purposes.

Specifications

- **Material:** High-quality metal with gun metal finish
- **Design:** Split-tone front plate for a modern look

- **Branding Area:** Front side only
- **Size:** 30 mm (width) x 4 mm (thickness) x 87 mm (length)
- **Packaging:** Elegant silver carton box with die-cut black velvet insert
- **Weight:** 47 grams. Lightweight yet sturdy (exact weight may vary slightly per piece)

Printing Options

This keychain supports precision **Laser Marking**, which ensures a clean, professional, and long-lasting finish for logos or text. Laser marking creates a permanent impression without wearing off over time, making it perfect for high-end branding.
