Laserable PU Leather Keychains with Sling Snap Hook

A sleek and practical accessory, these **Laserable PU Leather Keychains with Sling Snap Hook** combine durability with modern design. Featuring **black nylon webbing** and a **matte gun finish snap hook**, it's built for both style and functionality. The **PU leather plate** is fully customizable with **laser engraving**, making it an excellent choice for corporate gifts or personal use.

Key Features

- **Material:** Premium Metal with PU Leather & Nylon Webbing
- **Color Variants:** Gray PU, Brown PU, and Black PU
- **Design:** Sling snap hook with **matte gun finish** + black nylon webbing for added strength
- **Packaging:** Elegant **silver carton box** with **die-cut velvet foam inside**

Ideal Uses

- Corporate gifts & giveaways with engraved branding
- Promotional merchandise for events and campaigns
- Everyday use – secure, durable, and stylish
- Personalized gifting with custom name engraving

Printing Option

- **Laser Engraving** for logos, names, or custom designs
