Elevate your

hydration game with our innovative 500ml multi-function SS bottles, designed for both convenience and style. Crafted from high-quality stainless steel, this bottle features a double-wall construction that provides excellent insulation, keeping your beverages hot or cold for extended periods.

Key Features

- **Double Wall Insulation:** Keeps your drinks hot or cold for hours, ensuring the perfect temperature every time.
- **Spill-proof PP twist-off Lid:** The lid is designed with a secure twist-off mechanism and spill-proof technology, ensuring that your drink stays safely inside the bottle, even when jostled or tipped.
- **Storage Function in Lid:** The lid also features a built-in storage compartment, perfect for carrying small items like tea bags, coffee grounds, or vitamins.

- **Removable Base Cup:** The base of the bottle doubles as a handy cup, making it easy to enjoy your beverage on the go.
- **500ml Capacity:** Ideal size for hydration needs throughout the day, whether at work, the gym, or outdoors.
- **Durable Construction:** Made from premium stainless steel, resistant to rust and damage, and designed for long-term use.
- **Convenient 2-size Lanyard:** Includes a lanyard for easy carrying or attaching to bags, so you can take it anywhere with ease.

Branding on Bottle

Perfect for promotional events, corporate gifts, or personal use, this bottle combines functionality with branding to showcase your logo or message. Whether you're looking to promote your business, commemorate a special event, or create a unique corporate gift, this custom-branded stainless steel bottle offers both practicality and a high-impact visual presence.

Uses

Whether you're commuting, hiking, or just running errands, this multi-function bottle is your perfect companion for staying refreshed and hydrated.
