Metal Badge Reels

These metal badges with printed reels are created. These are ideal for both indoor and outdoor operations because of this. Wearing these allows you to perform any demanding tasks. Additionally, the metal provides the surface with a polished and brilliant appearance. Beautiful golden and silver hues are available for these promotional reel badges. Along with it is a clip that firmly holds the card. The non-twist technology prevents the clip from twisting, ensuring that your identity is always facing the front.

The badges for promotional reels can be altered. Its diameter is sufficient for printing your business's logo on it. Epoxy can be digitally printed as an alternative. This printing is tidy and durable. Additionally, using these printed reel badges to advertise your brand is a cutting-edge concept.

These printed reel badges make excellent corporate gifts. Giving your staff this item is a wonderful way to spread the word about your firm. It is also a suitable present for any official function or show, though. It is a fantastic corporate present for your business associates. Additionally for the VIP visitors who come to your office.
