# LED Temperature Display Black Tumblers, Stainless Steel - 510ml

Elevate your beverage experience with our sleek and innovative Temperature Display Black Tumblers. Designed for both style and functionality, these 510 ml tumblers are crafted from high-quality stainless steel to keep your drinks at the perfect temperature for longer.

## Key Features

- **Temperature Display:** Equipped with a built-in digital temperature display, these tumblers allow you to monitor the temperature of your beverage at a glance. No more guessing—just precise, real-time temperature readings.
- **Premium Stainless Steel:** Made from durable stainless steel, the tumbler is resistant to rust and stains. It also features vacuum insulation that maintains the temperature of your drink for hours, whether hot or cold.
- **Sleek Black Finish:** The modern, matte black exterior not only looks stylish but is also fingerprint-resistant, ensuring your tumbler stays sleek and clean.
- **Generous Capacity:** With a 510ml (17.2 oz) capacity, this tumbler is perfect for a variety of beverages, from morning coffee to refreshing iced tea.
- **Leak-Proof Lid:** The secure, spill-proof lid with a convenient sliding opening helps prevent leaks and makes drinking on the go easy and mess-free.
- **Eco-Friendly:** Reusable and sustainable, this tumbler is a great choice for reducing single-use plastics and staying environmentally conscious.

## Usage

Perfect for commutes, offices, or adventures, the Temperature Display Black Tumbler keeps your drinks at the ideal temperature. Whether hot lattes or cold smoothies, this high-tech tumbler combines convenience and style for all your beverage needs.

## Care Instructions

To maintain the quality and longevity of your tumbler, hand wash with mild soap and water. Avoid using abrasive materials or placing them in the dishwasher.
