Maxema Kind rPET Pens, Matte Solid Color

Eco-friendly **Maxema Kind rPET Pens** are crafted from **certified rPET**, derived from the recycling of plastic bottles collected from **ocean-bound waste**. These premium Italian pens feature a **matte, solid color barrel** with a push-button clip design, combining sustainability with elegant style. Fitted with a smooth-writing **blue ink refill** (black ink available on pre-order), these pens are perfect for environmentally conscious brands. Personalization is available with **UV printing and screen printing**, making them an excellent choice for promotional campaigns, events, and corporate giveaways.

Specification

- **Material:** Certified rPET (from recycled ocean-bound plastic bottles)
- **Model:** Maxema Pen Kind
- **Finish:** Matte, solid color barrel
