Round Analog Wall Clock Matte Finish White

Our Round Analog Wall Clock combines a clean, elegant white matte finish with reliable quartz movement to bring timeless style and accurate timekeeping to offices, homes, classrooms, and event spaces. The embossed number digits and clearly marked hour and minute hands make it exceptionally easy to read from a distance, while the lightweight ABS plastic construction ensures durability and affordability. Supplied in a top-open white carton, this clock is ideal for corporate gifts, branded merchandise, and bulk promotional orders. **“Time Your Brand with Style!”**

Promotional Uses

- Corporate giveaways for employees and clients
- Brand visibility in offices, reception areas, and meeting rooms
- Event souvenirs with custom logos or messages
- Promotional merchandise for trade shows and exhibitions
- Gifting items for schools, hospitals, and organizations
- Practical branded item for households and workspaces.

Wall Clock Printing Options

UV DTF Printing — suitable for full-color, high-fidelity prints on the clock face. Ideal for logos, event artwork, and single- or multi-color branding. We recommend supplying vector artwork (AI / EPS / PDF) or high-resolution raster at 300 DPI for best results.
