Mobile Griper and Stand

Because everyone carries a cell phone in today's world, a promotional mobile grasp stand would be an item that would be used frequently. This item is 4 cm in diameter and is composed of bendable, soft ABS plastic. You may conveniently handle your mobile phone while using this personalized item, which attaches to it with ease. This promotional item can be personalized with the logo of your business or brand or with a piece of your favorite artwork. This item can be printed neatly and expertly using full-color UV printing, which is an available service. This personalized item is portable, lightweight, and simple to carry. You can send your friends, coworkers, and employees this personalized item as a corporate present. Your brand's name follows you wherever you go, shining in your palms. The greatest way to promote our brand will be to give this item as a corporate gift.

- ABS plastic is utilized.
- soft and compact
- 4 cm diameter Promotional product
