Zipper in Black

Use: Keep your laptop safe and stylish with this 15-inch laptop sleeve. Designed for durability and convenience, it features a high-density foam build and a double zipper for easy access and secure storage. Lightweight and compact, this sleeve is ideal for work, school, or travel. Keep your laptop protected with this sleek 15-inch black sleeve, featuring high-density foam padding and a smooth double zipper for secure, everyday use. This lightweight laptop sleeve provides a snug fit for 15-inch devices, combining durability with a clean, professional appearance—ideal for work, study, or travel. Carry your device in style with this minimalist black sleeve. It's compact, protective, and designed for laptops up to 15 inches with smooth zipper access.

Specifications

- Material: High-density Foam
- Color: Black
- Closure: Double Zipper
- Packaging: Individual polybag only

? Uses of Laptop Sleeves

1. **Daily Laptop Protection** Keeps your 15-inch laptop protected from scratches, dust, and minor impacts during daily commutes or office use.
2. **Travel Companion** Slim and lightweight — perfect for carrying your laptop while traveling, whether in hand or packed in a suitcase or backpack.
3. **Corporate Gifting** A practical and professional gift for employees, clients, or partners. Ideal for tech companies, conferences, or trade shows.
4. **Custom Branding Opportunity** Offers a clean black surface perfect for custom logos or brand messages via screen or DTF printing.
5. **Student & Academic Use** Great for university or college students who carry laptops between classes or libraries.
6. **Tech Events & Giveaways** Useful as a branded giveaway at IT events, product launches, or promotional campaigns.
7. **Freelancers & Remote Workers** Keeps laptops secure while working from cafes, co-working spaces, or on the go.
8. **Office-to-Home Carrying** Supports the hybrid work model — easily carry your laptop between home and office.

Printing Options

- Screen Printing | DTF Transfer Printing
