7-in-1 Button Badge Maker

With the help of the 7-in-1 Button Badge Maker, you may make a special pin-backed button for usage in either private or public situations. There are four 32mm, 44mm, 56mm, or 75mm molds available, but you can make button badges in up to seven different types. Make a variety of types based on your needs!

- Making distinctive and bespoke buttons in bulk is easy.
- A way to express one's creativity.
- Create fabric, paper, and film-coated buttons.
- To make buttons in a variety of types and shapes, just swap out molds.
- A more powerful and lighter button badge maker.
