Jute and Cotton Bags Two-Side Print

Jute and cotton two-sided printed shopping bags are premium, environmentally friendly bags. These specialized bags were created using a cotton and jute blend. It had a composition of 72% jute and 28% cotton. They are hence incredibly durable and trustworthy. Compared to other bags, they are more tensile stable. They can therefore accommodate more stuff than normal bags. All of the components of this bag are recyclable, making it eco-friendly. It has flexible and gentle clamping straps. Additionally, they are quite light for someone with their level of strength. It's a bag in two colors. There are various printing possibilities available. These choices include express printing and screen printing. With the aid of these printing solutions, you can imprint the emblem of your business or brand. Additionally, two sides can be printed. They are the best corporate presents as a result. These promotional goods can be used to promote your business or brand. The best corporate presents for advertising campaigns or events are these.

- Made of cotton and jute fibers.
- Long-lasting and resilient.
- Portability and lightness.
