Screen Printing Tapes  
Specifications: Adhesive & Silver

# Screen Printing Tapes

No more hassles with masking, cloth, or gummed tape! This tape is a 2-mil polyester film, coated with pressure-sensitive adhesive. It is water, humidity, and solvent-resistant. Use it as an edge sealing tape or even as a screen mesh face, easy to

Our aluminum

foil screen printing tap has a strong cohesive force and little glue left after taking away the tap.
