A5 Size Recycled Spiral Notebook with Stylus Pen & Elastic Band

An elastic band, a pen, and a pen loop are all included in recycled promotional notebooks. As a result, these notebooks serve a variety of functions. It functions as a notepad, a pen holder, and a storage container for small items. This notebook's cover is constructed from cardboard that has been recycled and is environmentally friendly. This makes the cover difficult. The spiral ring around this cover's light brown exterior is black. However, it has a pen loop and a colorful elastic strap.

Additionally made of cardboard was the pen. It has a barrel made of cardboard with a bright tip and clip. This makes it the ideal promotional item. These recycled promotional notebooks can also be distributed as gifts. This notepad is incredibly portable and small. Therefore, it is convenient for packing in your suitcases. It has a screen printing option for adding vibrant and imaginative logos. These are the ideal promotional items to give to your clients and coworkers.

Additionally, you may use them as promotional notebooks for professional occasions. You can even make them just for your family and friends. They are some of the top giveaways for small businesses.
