Stainless Steel Water Bottles 500ml – Double Wall, Matte Finish, Soft-Touch Rubber Coating

Stay hydrated in style with our premium Stainless Steel Water Bottles 500ml, featuring a soft-touch rubberized coating and a matte finish for a comfortable grip and a modern look. Designed with a double-wall vacuum structure, it maintains temperature effectively — keeping drinks cold for up to 24 hours and hot for up to 12 hours. The leakproof twist cap and detachable silicone handle make it convenient and portable for daily use. Available in four stylish colors — black, blue, white, and green — this BPA-free 500ml bottle is the perfect eco-friendly choice for corporate gifting, promotions, and personal use.

Specification
