# Chase Plus Long Wallets with RFID Protection

The Chase Plus Long Wallets with RFID Protection offer a sleek, practical, and secure solution for carrying your essentials. Crafted from high-quality genuine leather with a grainy finish, this [wallet](#) features an efficient layout with ample storage for your cards, ID, and cash. The added RFID protection ensures your cards are safe from unauthorized scanning, providing peace of mind in a stylish design. **Material:** Genuine Leather with a Grainy Finish **Exterior Dimensions:** 95 x 20 x 190 mm **Interior Details:**

- 3 Slide Pockets
- 11 Credit Card Slots
- 1 Transparent ID Card Slot

## Key Features

- RFID Protection for enhanced security
- Simple and stylish design with sturdy construction
- Durable and functional for everyday use

## Printing Options

- **Location:** Depending on your preference, custom printing can be placed on the front cover or inside the wallet.
- **Printing Methods:**
  - **UV DTF and Screen Printing:** Suitable for detailed, multi-color designs or logos.
  - **Debossing:** Creates a sophisticated, embossed effect on your logo or text. Ideal for subtle branding.
  - **Foil Stamping:** Adds a metallic sheen for a more premium look, available in gold, silver, or other colors.
  - **Laser Engraving:** Perfect for precise, detailed engraving on leather surfaces.

## Print Size

- Recommended print size is up to 5 cm (W) x 5 cm (H) for logos or text. Larger designs may be accommodated upon request.

## Color Options

- Foil stamping and screen printing are available in various colors to match your branding.

## Minimum Order Quantity 25

- Custom printing generally requires a minimum order of 25, depending on the method selected.

**Note:** Please provide high-resolution artwork for best results. Our team is ready to help with your customization needs and to ensure a flawless design execution.
