# Desktop Pen Holder with 5W Wireless Charger

**WDS3-BK**  
Multifunctional Pen Holder with Wireless Charging  
Specifications: Product Size: 100 x 80 x 85 mm

## Multifunction Desktop Pen Holder with 5W Wireless

We all use our phones for extended periods these days; therefore, we

must charge them as soon as possible. This product can help you with that. You can charge your phone while using it and working at the same time. The ideal solution for your advertising campaign may be a multipurpose desktop pen holder with wireless charging, crafted from top-quality materials and featuring an attractive design. The charger has USB-A and USB-C charging ports and is wireless. This item also includes a pen holder. You can also have your logo printed on it. Your logo can be illuminated with an LED light.
