Round Metal Reel Badges for ID Cards

Round Metal Reel Badges for ID Cards

Our **Round Metal Reel Badges for ID Cards** are made from premium-quality metal and designed with a 32 mm diameter for a sleek, professional look. With a retractable reel mechanism, they provide convenience and durability for daily use in offices, hospitals, schools, and events. These badges can be customized with **digital printing and an epoxy coating**, ensuring your logo or brand stands out with vibrant colors and long-lasting protection. A perfect promotional item, they combine functionality with elegant branding, making them an ideal choice for corporate giveaways and employee ID badge holders. The retractable reel design makes everyday use effortless, while the **digital printing with epoxy finish** ensures your logo shines with vivid colors and long-lasting protection. Ideal for offices, hospitals, schools, and events, these badges are not just functional but also a powerful branding tool. A smart choice for corporate giveaways, they let your brand stay visible wherever your team goes.
