## Double Wall SS Bottles Slim Waist Design 500 ml

These 500 ml double wall SS bottles feature a sleek, slim waist design, blending style with functionality. Its double-wall construction ensures excellent insulation, keeping your beverages hot or cold for extended periods. Designed for both practicality and aesthetics, it's ideal for daily use, travel, and outdoor adventures.

### Features

- **Durable Material:** Made from high-grade stainless steel, making it resistant to rust, corrosion, and impact.

- **Double-Wall Insulation:** Maintains beverage temperature effectively—hot drinks stay warm, and cold drinks remain cool for hours.
- **Slim Waist Design:** Provides a comfortable grip and easy portability. Its streamlined shape fits well in most cup holders and small bag pockets.
- **Spill-proof PP Flip-top Lid with handle:** It combines functionality and convenience, making it a practical choice for a stainless steel bottle designed for everyday use and travel. Moreover, Flip-top lids help maintain better hygiene by keeping the drinking spout covered when not in use.
- **Eco-Friendly:** A sustainable choice that helps reduce single-use plastic waste by being reusable and long-lasting.
- **BPA Free:** Using BPA-free products helps to avoid potential health risks associated with BPA exposure, such as hormonal imbalances and other health issues.
- **Versatile Use:** Suitable for various beverages—water, coffee, tea, or even smoothies.

## Benefits

- **Temperature Retention:** Enjoy your drinks at the perfect temperature all day.
- **Convenience:** The slim design makes it easy to carry and store.
- **Healthier Choice:** Stainless steel is free from BPA and other harmful chemicals often found in plastic bottles.
- **Environmentally Responsible:** Helps reduce reliance on disposable plastic bottles, contributing to a cleaner planet.
- **Branding:** The branding for a stainless steel bottle with a spill-proof PP flip-top lid can be a key factor in attracting customers and building brand recognition.

This bottle is perfect for anyone looking to stay hydrated while on the go, offering a blend of practicality and style in a compact, efficient design.
