Gents Watches

Men's leather promotional watches provide a stylish and original appearance. Leather and stainless steel were used to create their design. These timepieces are quite strong as a result. They are totally waterproof as well. The watch's back lid was made of steel as well. This watch has a dial and a frame made of brilliant silver. A leather strap and an outer ring with a sphere shape make up the frame. The dial inside, however, is white. Blue needles are another feature of it. On the other side, the counting is done in black. It is therefore a stylish and lovely watch. The diameter of this wristwatch is 43mm. The date is displayed in a tiny section on the dial. Leather promotional watches from Raphael make great giveaways for a range of occasions. A metal branding option is offered for imprinting. As a result, you can brand this gift watches with the name of your business. These timepieces will support the marketing of your business. These sophisticated timepieces were developed especially for branding reasons. Additionally, these watches make chic presents for loved ones and friends.
