Multi-functional Tool Card in PU Leather Pouch

This sleek and compact multi-functional tool card packs a punch with up to **46 integrated functions**, including a screwdriver, ruler, can opener, and more — making it an essential everyday carry for professionals, travelers, or gadget lovers. A 46-in-1 Wallet Tool Card is a compact, credit card-sized multitool designed to fit in your wallet and provide multiple functions in one piece of metal or durable plastic. These tools are especially popular for everyday carry (EDC) and survival kits.

Features of a 46-in-1 Wallet Tool Card

- Multiple wrenches (hex sizes: 2mm–14mm) | Screwdrivers (flathead, Phillips, mini) | Bottle opener | Can opener | Letter opener | Box cutter | Ruler (cm and inch) | Protractor | Peeler or cutter | Nail puller | Saw blade edge | Phone stand slot | Lanyard/key ring hole | Direction auxiliary indication (sundial or compass tool) | Scraper | Wire stripper | File edge | SIM card ejector pin hole.

Material: Durable **stainless steel** housed in a premium **PU leather pouch** for added protection and style.

- **Size:** 80 x 1.2 x 52 mm (Credit Card Size)
- **Item Weight:** 0.030 kg
- **Color:** Black

Printing Options

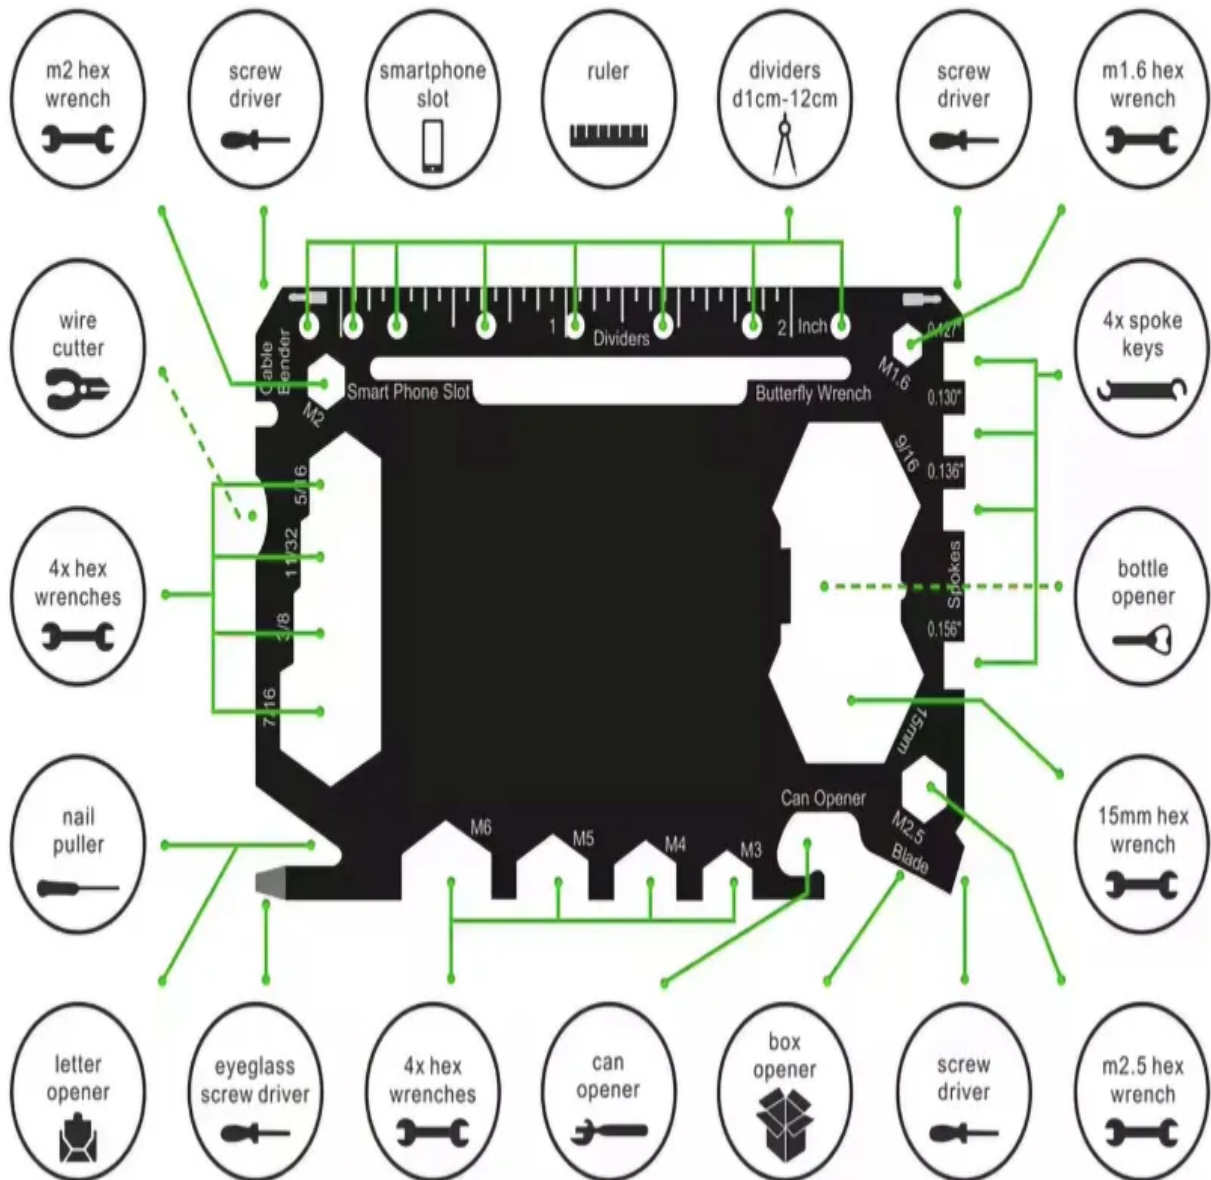

- Customizable via **Laser Marking** for precise, long-lasting branding.
