Silver Mirror Shiny Badge Reels

128-SS
Round Big Logo Reel badge
Specifications: Size: 50mm/2in

Rotating Reel Badges

This is a spherical, shiny, secure badge reel that effortlessly holds the badge thanks to an included connection. Additionally, it is made of a very durable fabric that holds onto the ID card firmly. It has a snap-lock on its thirty-inch nylon retractable cable for global use. Everyone in the medical field must display or swipe an ID card numerous times every day, so it is really ideal for that industry. This badge reel is a silver mirror shine, and it contains a space for imprinting your name or your business's logo to help you market your brand. Due to their widespread usage today across the globe, these badge reels make excellent marketing tools.

- The substance plastic
